Flower power for cancer researchers

Swanbourne florist, Anne Moss, is ready to impress guests with her flower arranging skills and tips at a garden party at one of Perth's most exquisite properties next Friday. (October 29)

The Scott Kirkbride Melanoma Research Centre, (SKMRC), which is WA's only dedicated melanoma research centre is behind the special fundraising event at the Dalkeith home of Tania and Peter Young.

Tickets are \$50 and there are only limited places available, so please call (08) 9224 0333 to secure yours.

Part of the Nedlands-based Western Australian Institute for Medical Research (WAIMR), the SKMRC was established in 2005 in memory of Scott Kirkbride who lost his battle with melanoma at the age of 27.

For further information please call:
